Ms. Kirstie Albright
Mrs. Stacy Whitlow

Mr. Roberts called the meeting to order at 4:47 pm.

Minutes Were approved. Motion made by Mrs. Stacy Whitlow, seconded by Ms. Christine Creasy. A correction was noted on page 3 to read "from" not "form". Minutes were approved.

Member Reports: None

Administrative Reports: Mr. Barger reported the High School Chess team had the most successful season ever placed 9th in the State tournament. Unlike other programs where the size of the school matters what region you are in we were up against much larger schools. Good thing to build on since our team consist of 2 juniors, 2 sophomores and 1 freshman.

The PTSA brought in over \$3,200.00 in the spell-a-thon, which was above, their goal. . The money raised will go towards the purchase of 2 overhead canopies like the ones on the playground for the bus bay.

We have the opportunity for our middle school students to participate in trips with Desert Sky and Corona Foothills that are offered beyond our trips such as New York with Mrs. Ellis, Catalina Island with Ms. Carruth.

The first hurdle of the SEP has been met. All seniors turned in their 8 to 10 page paper on time. This is the first graduating class to have 100% on the date due.

Upcoming events:

Field Day and Turkey Trot is coming up Wednesday

Drama performance is coming up

Elementary music performance

Recognitions:

Mr. Barger recognized Ms. Emily Maass who gave up her Saturday and Sunday this weekend for taking 6 of our students to the U of A for Junior States of America competition.

Julie Ellis for her girl's soccer team winning their first game against the 'A' team from CFMS.

Nicki Pratt for starting a cheer program for our 4th and 5th graders. Courtney Early for hosting the high school lock-in 2 weekends ago. We had about 70 students.

Eva Peters for the SEP, we did have 4 students that did not pass the paper. The cut off for pass on the paper is 70%. College students at the U of A grade the papers and the papers are expected to be a college level. The students that did not pass, received 67 to 68% a little grammar help and they will be fine.

Mr. Roberts recognized Mrs. Peters for all her help in the SEP that all of the students in VDLP passed the first part.

Consent Agenda: Motion was made by Ms. Tamra Ross to approve consent agenda as presented, 2nd by Ms. Joy Carruth, all were in favor.

Old Business:

A. Enrollment Summary Mr. Barger presented numbers to the council. There was a little decline in student enrollment. We will be losing a few students to Empire after the first of the year. This is when students can switch schools.

B. Staffing Update – Mr. Barger shared with the council he has interviewed for the special education parapro position but the lady declined the position. They will continue to interview and he will inform the council when we have hired someone.

C. Enrollment Process Mr. Barger shared with the council a new procedure for enrollment for the 2014-2015 school year to try and help a few of the problems from the past years. This year parents will complete an "Interest Form" turn it into the front office. The enrollment process will start January 6, 2014 and must be returned to the office no later than 4:00 pm Thursday, February 13, 2014. If the student is accepted to VAHS then the parents will have till March 5, 2014 to complete an enrollment packet. If we do not receive an enrollment packet by deadline we will give the next student on the list the opportunity. A question was asked if we here at VAHS would do that with elementary and middle school. Mr. Barger shared that we will do this "Interest Form" for all grades. Once students are accepted they will not be able to switch high schools unless there is a one to one switch.

Recommendation was made by Mr. Barger to accept the new enrollment process.

Motion was made by Ms. Kirstie Albright, seconded by Ms. Christine Creasy; all were in favor of enrollment process being passed.

D. Charter Revisions All council members were given a copy of the VAHS Charter. Mr. Barger shared with the council that the changes were lined out and the new is in blue. Recommendation was made by Mr. Barger to accept the new VAHS Charter. Motion was made by Ms. Joy Carruth, seconded by Mrs. Stacy Whitlow, all were in favor, new Charter was passed. Mr. Barger did share that now that the Site Council approved the revisions this will go to the governing board and they will need to approve the new revisions.

New Business:

A. 2014-2015 School Calendar All council members received a copy of the proposed 2014-2015 school calendar. The governing board will make the final decision tomorrow night at the board meeting.

B. Computer Insurance Mr. Barger shared with the council the refund system we have here at VAIIS and how the other school's work. VAIIS Site Council voted to refund parents a certain percent after a certain time line. Also, that if a student has not used the insurance in 2 years they will not need to pay the insurance fee.

C. Lettering Criteria – Mr. Barger shared with the council VAIIS will now have letters to hand out. We are going to start handing them out to kids that have accomplished and committed to a sport, Robotics, Chess. Everyone on the council received a copy of the criteria.

Vail School District

2013-2014 High School Device Self-Insurance Policy

Various provisions in this policy restrict coverage. Please read the policy to understand your family's rights and responsibilities, and what is covered. The district is self-insured. Please help us keep premiums and deductibles low by taking very good care of the device.

A. Costs

1. There is a yearly premium of \$50. This premium is good for one school year. Should there be a claim for insurance coverage there is a \$50 deductible. If no claims are made in the first two years, the yearly premium is waived for the following school year. Deductibles apply in any case regardless of whether the premium is charged or not.

2. The student is to use a padded laptop bag or sleeve that is made only for the device. Padded backpacks are not adequate protection from damage when other items such as notebooks, binders, or books share the same space in a padded backpack. If a padded bag or sleeve is not used a higher repair deductible may be charged.

3. The school principal has the final say in determining insurance and repair situations.

B. Covered Equipment

- 1 The insurance provided applies to any device issued, purchased, or owned by a Vail High School, whether it is the originally issued device, a loaner, or a replacement.
- 2 The deductible for the claim is the same, whether the machine is the original, a loaner, or a replacement device. For example, if your child has been issued a device loaner and breaks the device loaner, there will be a deductible due for the breakage of the device loaner.
- 3 There will not be an additional premium for the use of a device loaner.
- 4 The data contained on the device is not covered, nor are CD-ROMs or DVDs that may be in the device. There is no provision for the time or cost needed to replicate any missing data
- 5 A device not owned by the Vail School District is not eligible for this insurance.

C. Exclusions

The school will not pay for loss or damage caused by or resulting from the following:

- 1 Deterioration, corrosion, erosion, wear and tear, faulty materials, or design errors. Please note that corrosion can occur from spills. Liquids and electronic devices don't mix. **Not informing the tech department immediately of spill damage will void the insurance coverage for that incident.**
- 2 Loss caused by surge, lightning, or inappropriate electrical use.
- 3 Dishonest, fraudulent, or criminal acts.
- 4 Any loss to accounts, valuable documents, music or videos, records, or assignments and/or their affects by being missing on grades, GPAs, special group considerations such as valedictorian, college or university admission, or employment. **Students are responsible for backing-up their own data.** An insurance claim will only cover material issues with the device, not lost opportunities or data.
- 5 Loss caused by **your** failure to use all reasonable means to protect the device that has been damaged.
- 6 Disappearance not accompanied by a police report.

VAHS computer repairs for 2013-14 Semester 1

Computers checked out for 2013-14 school year come to the number of 305 with 248 that are still in student hands. Our student body is made up of 143 male students and 123 female students. So there are now in school 18 students that bring their own computers from grades seven to twelfth.

Damage for the year is on track to be about a third of all computers handed out. Our eighth and ninth graders have had the most difficulty on handling their computers. Also a note, as maturity for students comes we have less issues with abuse on the computers in their hands. It is also true with our students that the females are more conscientious with what is given to their care. The following chart has the breakdown of what is happening with repair.

Class	Sex	Warrantied	Payed	1st Quarter	2nd Quarter	3rd Quarter
7th	Male	1	2	2	4	
	Female					3
8th	Male	2	5	11	3	
	Female			1	2	
9th	Male	2		7	5	
	Female	1		3	1	
10th	Male		2	2	3	
	Female			2	1	
11th	Male				2	
	Female					
12th	Male			1		
	Female					1
Total	Males	5	9	23	17	
	Females	1	0	6	8	
	all	6	9	29	25	

What this has not shown you is that we have four special students that break their computers more often than normal. The break down of these students is those that have broken their computer twice are an eighth grade male and a ninth grade female, with those that have broken their computer three times are an eighth grade male and a ninth grade male.

VAIL SCHOOL DISTRICT MISSION STATEMENT

It is the mission of the Vail School District to provide parents with safe and nurturing school communities, where their children can obtain a quality education.

GUIDING PRINCIPALS

OUR SCHOOLS ARE COMMUNITIES OF LEARNERS. We define a community as a place where each individual is important and has something valuable to contribute to others in the community. We believe that learning is a lifelong activity. We are all learners. We expect parents, staff members and volunteers to model this belief for students.

WE CARE ABOUT STUDENTS. We believe that each student should be given the opportunity to be educated in a physically and emotionally safe, personalized, and caring environment.

ONE OF OUR HIGHEST PRIORITIES IS KEEPING CLASS SIZES SMALL. Working with students in smaller groups increases opportunities for learning, personal attention, a sense of belonging and the development of a supportive classroom community.

WE ARE COMMITTED TO FISCAL RESPONSIBILITY. We are entrusted with using public resources to provide a quality education for our students. We carefully develop priorities based on student needs, legal responsibilities and cost-effective methods.

WE ARE RESPONSIBLE TO OUR LOCAL COMMUNITY. Our schools are the centers of the community. We actively seek community involvement. And, we respond to community needs.

WE RESPECT PARENTS AND THEIR VALUES. We operate on the behalf of parents. It is our responsibility to assist parents in the education of their children. We value parental involvement, and make every reasonable effort to address and respond to parental concerns.

SMALL SCHOOLS ARE THE BEST PLACES TO DEVELOP CARING COMMUNITIES OF LEARNERS. We like the atmosphere of a small school that has been developed into a positive, healthy community. We prefer small schools. We seek to create that small school atmosphere in all of our schools, regardless of the size that growth and economics may force them to become.

WE BELIEVE LEARNING EXTENDS WELL BEYOND THE CLASSROOM. Our educational program is enriched and extended with opportunities such as: field trips, recreational activities, academic competitions, and club activities.

WE UPHOLD TRADITIONAL VALUES SUCH AS RESPECT, PERSONAL AND SOCIAL RESPONSIBILITY, HONESTY, AND HARD WORK. We model socially responsible behavior, expect it from each student and make it part of our curriculum. We believe these traditional values have served our society well in the past, are cherished by our community, and are important to our future.

WE ARE CONTINUALLY IMPROVING. We are never content with the status quo in our operations or in our curriculum methods. We recognize that we live in a changing world and we respond to those changes. And, we are constantly looking for better and more efficient ways to accomplish our mission.

WE VALUE OUR EMPLOYEES. We specifically and carefully select our staff on the basis of their ability to carry out the mission and guiding principles described above. We hire the best people suited for the task. We respect their expertise and depend on them to work with parents to make our vision for a community of learners a reality.

General Rules and Regulations

Bullying

Conflict is a natural part of development, it may be defined as a struggle or contest between two people with opposing needs, ideas, beliefs, values, or goals.

Bullying is aggressive behavior that is intentional, repeated over time, and involves an imbalance of power or strength.

Hazing

JICFA

There shall be no hazing, solicitation to engage in hazing, or aiding and abetting another who is engaged in hazing of any person enrolled, accepted for or promoted to enrollment, or intending to enroll or be promoted to District schools within twelve (12) calendar months. For purposes of this policy, a person as specified above shall be considered a "student" until graduation, transfer, promotion, or withdrawal from the District school.

"Hazing" means any intentional, knowing, or reckless act committed by a student, whether individually or in concert with other persons, against another student, and in which both of the following apply:

- The act was committed in connection with an initiation into, an affiliation with, or the maintenance of membership in any organization that is affiliated with an educational institution.
- The act contributes to a substantial risk of potential physical injury, mental harm or degradation, or causes physical injury, mental harm, or personal degradation.

"Organization" means an athletic team, association, order, society, corps, cooperative, club, or similar group that is affiliated with an educational institution and whose membership consists primarily of students enrolled at that educational institution.

It is no defense to a violation of this policy if the victim consented or acquiesced to hazing.

In accord with statute, violations of this policy do not include either of the following:

- Customary athletic events, contests, or competitions that are sponsored by an educational institution.
- Any activity or conduct that furthers the goals of a legitimate educational curriculum, a legitimate extracurricular program, or a legitimate military training program.

All students, teachers, and staff shall take reasonable measures within the scope of their individual authority to prevent violations of this policy.

Students and others may report hazing to any professional staff member. Professional staff members must report the incident to the school administrator or next higher administrative supervisor, in writing, with such details as may have been provided. A failure by a staff member to inform the school in a timely matter an administrator or next higher administrative supervisor of a hazing allegation or their observation of an incident of hazing may subject the staff member to disciplinary action in accord with District policies. The staff member shall preserve the confidentiality of those involved, disclosing the incident only to the appropriate school administrator or next higher administrative supervisor or as otherwise required by law. Any instance of reported or observed hazing, which includes possible child abuse, or violations of statutes known to the staff member shall be treated in accord with statutory requirements and be reported to a law enforcement agency.

To assure that students and staff are aware of its content and intent, a notice of this policy and procedure shall be posted conspicuously in each school building and shall be made a part of the rights and responsibilities section of the student handbook. Forms for submitting complaints are to be available to students and staff in school offices.

Disposition of all reports/complaints shall be reported to the Superintendent. The Superintendent will determine if the policies of the District have been appropriately implemented and will make such reports and/or referrals to the Board as may be necessary.

All violations of this policy shall be treated in accord with the appropriate procedures and penalties provided for in District policies related to the conduct and discipline of students, staff, and others.

Student concerns, complaints, and grievances

JII-EB

Students may present a complaint or grievance regarding one (1) or more of the following

- Violation of the student's constitutional rights,
- Denial of an equal opportunity to participate in any program or activity for which the student qualifies not related to the student's individual capabilities,
- Discriminatory treatment on the basis of race, color, religion, sex, age, national origin, or disability,
- Harassment of the student by another person,
- Intimidation by another student.
- Bullying by another student.
- Concern for the student's personal safety,

Provided that:

- The topic is not the subject of disciplinary or other proceedings under other policies and regulations of this District, and
- The procedure shall not apply to any matter for which the method of review is prescribed by law, or the Governing Board is without authority to act. The guidelines to be followed are:
- The accusation must be made within thirty (30) calendar days of the time the student knew or should have known that there were grounds for the complaint/grievance.
- The complaint/grievance shall be made only to a school administrator or professional staff member.
- The person receiving the complaint will gather information for the complaint form.
- All allegations shall be reported on forms with the necessary particulars as determined by the Superintendent. Forms are available in the school office.
- The person receiving the complaint shall preserve the confidentiality of the subject, disclosing it only to the appropriate school administrator or next higher administrative supervisor or as otherwise required by law.

Any question concerning whether the complaint/grievance falls within this policy shall be determined by the Superintendent.

Complaints by middle or high school students may be made only by the students on their own behalf. A parent or guardian may initiate the complaint process on behalf of an elementary school student. A parent or guardian who wishes to complain should do so by completing the forms following Policy KE on Public Concerns and Complaints.

A complaint/grievance may be withdrawn at any time. Once withdrawn, the process cannot be reopened if the resubmission is longer than thirty (30) calendar days from the date of the occurrence of the alleged incident. False or unproven complaint documentation shall not be maintained.

Retaliatory or intimidating acts against any student who has made a complaint under this policy and its corresponding regulations, or against a student who has testified, assisted or participated in any manner in an investigation relating to a complaint or grievance, are specifically prohibited and constitute grounds for a separate complaint.

Knowingly submitting a false report under this policy shall subject the student to discipline up to and including suspension or expulsion. Where disciplinary action is necessary pursuant to any part of this policy, relevant District policies shall be followed.

When district officials have a reasonable belief or an investigation reveals that a reported incident may constitute an unlawful act, law enforcement authorities will be informed.

Sexual Harassment

Sexual harassment is unwanted, unwelcome behavior of a sexual nature. Sexual harassment is any act or comment (of a sexual nature) that makes another person feel uncomfortable. Schools are required by law to maintain an environment free from sexual harassment.

Sexual harassment takes many forms. Here are a few examples:

- Displaying gender-offensive items, photos, posters, etc.
- Inappropriate gestures, touching, or groping.
- Sexual remarks, suggestions, or spreading rumors.
- Pressure for unwanted activities or encounters.
- Offensive jokes, language, teasing, whistles, or catcalls.

STUDENT ATTENDANCE POLICY

Student absences must be reported to the front office by a parent. The attendance number is 879-1903.

Philosophy Students, parents, and educators recognize the importance of attendance and punctuality at school.

Policy

Arizona law charges the **parent or guardian** with responsibility for the student's consistent school attendance. The Superintendent will enforce the laws regarding attendance with consideration for the variables that affect children and families. The superintendent will place emphasis on prevention and correction of the course of absenteeism.

Compulsory Attendance Ages

It is unlawful for any child who is at least six but not yet sixteen years of age to fail to attend school during the hours that school is in session, unless such child is excused pursuant to:

- A.R.S. 15-802 verifiable records are kept for the reason for excuse from the duties prescribed.
- A.R.S. 15-901 for children with disabilities.
- The child being provided instruction at home.
- The child being accompanied by a parent or a person authorized by a parent.

Attendance Records

Teachers will take attendance at the beginning of each class. The name of any absent student will be entered in PowerSchool.

Procedure

1. Student shall be in physical attendance in the classroom in which they have been assigned. Students will be counted absent on a period-by-period basis whenever they are not physically in attendance.
2. Students will be considered absent from class if they are not in attendance within the first 10 minutes of a 60-minute class.
3. Students may not leave during the school day without first checking out through the attendance office. **Leaving campus without permission may result in a 3 day Out of School Suspension.** It is the responsibility of the parents/guardians to give permission by note or phone call, prior to a student leaving campus.
4. Parents/guardians need to contact the front office in the event the student is going to miss class. When a student returns to school after an absence, a note of explanation from the parent must be submitted or a phone call received within 2 days following any absence. A doctor's statement regarding student illness will be accepted in place of a parent/guardian note. If verification is not received within the 2-day period, the absence remains recorded as unexcused.
5. In order to return to school after a three-day absence, a doctor's note may be required stating that the child is well enough to return.

Absences

Attendance is essential in order to earn credit in a class. **Students are responsible to see teachers for work missed during any absence.** Students may be in danger of losing credit if they do not make up missed work.

Loss of Graduation Credit (This also applies to middle school students taking HS courses)

According to Board Policy and Raising Expectations, students who reach **9 non-school related absences** in any one class **may** fail or lose graduation credit in that class. Loss of credit or failure of a class is at the discretion of the teacher and administration.

Students who reach **13 non-school related absences** in any one class will lose graduation credit in that class automatically.

TARDY POLICY

Students are expected to be in the classroom, ready to learn, when the bell rings to begin class at 7:40 am. and according to the bell schedule throughout the day. Students who arrive late to class during the day will receive a lunch detention. Students who arrive late to school (after 7:40 am) are subject to administrative consequences.

SCHEDULE CHANGE POLICY

The school reserves the right to change a student's schedule for the purposes of balancing class size, demographics or teaching loads for staff or other administrative purposes.

A student may request a schedule change during the first three weeks of a semester by meeting with the counselor. If the counselor sees merit in the student's request, the student will be provided a schedule change form. The student will need to speak with the teachers involved and have their signatures approving the change. The student's parent will also need to sign the form. Once those signatures are collected, an administrative signature will be required to approve the change. (At any point the counselor, a teacher, a parent, or an administrator can choose not to approve the request, and the process is over). Forms are available in the counseling office.

Students who wish to change a schedule after the third week will be able to do so with the written understanding that an "F" will appear on the student's transcript for the dropped class and that an appropriate location for the student to go during that period of the day can be found. (Sitting in the front office or a teacher's class is not an acceptable solution).

Please note that the VSD Governing Board expects all students to be enrolled in at least five classes. Students who wish to be enrolled in only five classes need to have parent permission to do so. Forms are available in the counseling office.

VAIL ACADEMY AND HIGH SCHOOL STUDENT CONDUCT AND DRESS CODE

Vail Academy & High School is located on the property of the University of Arizona Tech Park in a stand alone building. One goal of the school is to develop positive relationships with the business community in the park in order to provide unique opportunities for our students to interact with business professionals. To foster these relationships, it is important that students present an image that is appropriate to a business environment. This includes behavior, clothing, hairstyles, accessories, and an overall appearance that is acceptable to such an environment.

Student Conduct

Student conduct will be within the guidelines of district policy and the Vail Academy and High School Code of Conduct. Any violation of these policies or the Code of Conduct will be submitted to the school administration for review and/or disciplinary action if necessary. Once again, the goal of the school is to foster responsibility through relationships with our local community. Student behavior, in and out of school, can dramatically affect the success of these relationships. Appropriate conduct also applies to student behavior within the school and classroom so that the educational experience is not disruptive but maximized.

Public Display of Affection

Public displays of affection will be addressed by the administration.

Electronic Devices and Cell Phones

Cell phones are to be turned off or placed on silent mode (NOT VIBRATE) while on campus. All other electronic devices such as iPods, cameras, games, etc. are not allowed to be used on campus during the school day. Individual teachers may enforce policies regarding electronics in their classrooms as they deem appropriate. If used inappropriately, devices may be secured by the school staff and held until the student retrieves the device after school from the school administration (disciplinary action may be taken). The second time a student has an electronic device confiscated a parent will need to pick it up from the school. If a student has a 3rd violation, the student will receive disciplinary consequences and the device may be held by the school until the end of the semester. *Students are not allowed to photograph or video record other students with personal devices or for personal use without administrative permission.*

Electronic device and cell phone usage is allowed before and after school. High school students may be allowed to use these devices at lunch as long as doing so is not disruptive to those around them. All use of electronic devices should be consistent with the district's ACT Statement.

If a student needs to call home, calls must be made from a school phone.

Food and Drink

Only bottled water will be allowed in classrooms. No other food or drink is permitted. No outside "fast food" can be dropped off for students. Parents are welcome to bring food and eat lunch with their child in the cafeteria. No cupcakes, cookies, cake, or other foods that do not comply with the AZ Wellness Policy guidelines are permitted for birthdays or other celebrations. You can, however, order such snacks through our cafeteria provider which will meet these guidelines.

Student Arrival Time

No student may arrive on site before 7:15 am. Gates will not be opened until 7:15 and there will be no adult supervision.

Student Departure Time

Students are expected to be picked up from school by 3:00 on regular school days and 12:20 on half days. Any student who remains after school must be under the supervision of the school staff member sponsoring the activity or tutoring. Students wishing to stay for tutoring are REQUIRED to register in the front office prior to 2:45 each day that tutoring is offered, most Mondays-Thursdays.

Parking Policy

Students who drive to school must obtain a parking permit in the front office. They will be assigned a designated numbered parking spot.

Dress Code and Grooming

Students are expected to dress appropriately while on campus and during all school-sponsored activities as they are a direct reflection of Vail Academy and High School. The parameters for appropriate dress and grooming are set forth below. Students who violate the dress code will be sent to the school administration to correct any deficiencies by calling a parent to bring appropriate attire and/or receiving an unexcused absence until the student complies with the dress code. **The school administration shall be the interpreters of proper attire.**

All clothing must be neat, clean, and in good repair. Clothing and accessories may not display language/logos of a sexual nature, depict graphic images of physical violence, or weapons. At no time can clothing display profanity, profane/obscene gestures, or promote alcohol, drugs, or tobacco. Gang-related clothing, accessories, or personalization are not permitted. **All clothing must conceal undergarments at all times including boxer shorts and bra straps.**

- Pants must be worn at the natural waist. No sagging. Shorts and skirts must reach mid-thigh or have a 4 inch inseam. Shorts and skirts worn over leggings or tights must still reach mid-thigh or have a 4 inch inseam.
- Cut-offs are not allowed. However, shorts/skirts purchases with a seam and a frayed edge are permitted. Ripped denim that allows skin to show is not allowed.
- Shirts may not expose the midriff or reveal any cleavage. Tank tops must be at least one inch wide over the shoulder. Halter tops and spaghetti straps are not permitted.
- Hats must be worn facing forward at all times. Hats and hoods are not permitted indoors.
- Footwear must be appropriate for a school environment. Slippers and flip flops are not allowed.
- All clothing must be appropriately sized. Students are not allowed to wear pajamas.
- Hair cannot be dyed unnatural colors such as blue, pink, green, purple, etc. It cannot be cut in an ornamental style so as to cause a distraction to the learning environment.
- Jewelry should be worn in moderation. Piercings may only be worn in the ears. Gauges (tunnels or spikes) may not be visible on campus.
- Tattoos must be covered.

We understand that styles change. As they do, administration will have the final say on what is deemed appropriate for our school environment.

Spirit days may allow for a different set of standards when approved by administration. Dress will be according to the themes dictated by the special days.

Lost and Found

The front office maintains lost and found articles. Items found by students should be turned in to the front office. At the end of each quarter, items will be donated to charity.

Saturday School

Vail Academy and High School reserves the right to implement Saturday School from 7:30 am to 11:30 am as a consequence for poor academic performance, violations of the code of conduct, or students with tardy and absence counts that exceed the acceptable limit.

Summer School

Vail School District's Summer School Program supports the mission to develop all students' qualities necessary to fulfill their roles as life long learners in a democratic society. The Summer School Program supplements the regular school program classes for enrichment as well as remedial purposes. Summer School information is available in the Counseling Office. **It is difficult to acquire and refine necessary skills in such a short, condensed three-week per semester summer school session. Therefore, core area subjects such as English, Math, Social Studies, and Science may only be taken for remedial purposes. Students who take on-line courses outside of the Vail district may be required to take a VUSD exam to ensure the necessary content has been acquired.**

PowerSchool® Grade and Attendance Management

With PowerSchool®, a student or parent can easily and quickly check on grades, missed assignments, attendance, and graduation progress any time from any Internet-connected computer. Parents and students keep closer tabs on progress using PowerSchool®, and communication with individual teachers via e-mail improves the home and school connection.

Technology Expectations

Students and parents will be expected to sign the district's 'Acceptable Use Policy' (AUP) prior to accessing technology. As a school that delivers much of its curriculum digitally, students are expected to have access to the Internet when away from school.

Field Trip Guidelines

Students participating in field trips benefit from exposure to a variety of learning opportunities. These events are to be considered "extra-curricular" events. As such, students are expected to be in good academic standing, defined as: passing all of their classes and having a 2.0 or higher GPA as of the Monday morning the week of the field trip. Students are not to miss classroom instruction time to participate in a field trip if their grades are too low. (Only teacher errors will be considered in adjusting grades after Monday morning, but prior to the trip).

Students may participate in events that occur outside of the normal classroom periods (ex: evenings, Saturdays, or during a school break) ONLY after receiving special permission from an administrator. Curriculum related trips for programs like CTE will be treated on a case by case basis.

High school students are not allowed on the playground equipment.

SENIOR PROJECT GRADUATION REQUIREMENT

The purpose of the Senior Project at Vail Academy & High School is to serve as a comprehensive, culminating project that helps seniors prepare for life after high school. Student presentations are made to members of the local business community and may serve as an opportunity for students to network and build useful presentations skills needed in today's marketplace. It is a graduation requirement for the Vail School District. Our standards are high: students must initiate an actual project (i.e., building or producing something) or serving in a leadership role in the community. Job shadowing and reporting on what someone else is doing is not considered a valid project. The entire project consists of three (3) main parts:

The Research Paper

The research paper portion of the Senior Project is a seven to ten page paper with a variety of reference types including an interview with an expert in their field. The paper is graded by graduate students at the University of Arizona.

The Portfolio

The portfolio is a comprehensive documentation of the actual project completed by the student. It is graded by the faculty and staff of VAHS.

The Presentation

Finally, students have the opportunity to explain to others what their project was and what they learned from doing it. It is graded by teachers, parents and community members.

POST HIGH SCHOOL PLANNING

The Vail High School Education Advisor assists in providing up-to-date materials and information so that students are kept informed about dates, procedures, materials, and activities related to career and educational planning. References, resource materials, and other services are available in the VAHS counselor's office.

National Merit Scholarship

The National Merit Scholarship program, a prestigious award, is based on scores achieved on two tests. The PSAT (Preliminary SAT) is used as a pre-qualifier: selection is then made based on SAT scores and a competitive application process. Sophomores are strongly encouraged to take the PSAT, offered in early fall, as a practice for the test in their junior year. Juniors are strongly encouraged to take the SAT.

College Readiness

College-bound student will need to take either the ACT or the SAT. Students are advised to take these tests in the spring of their junior year and to meet with a counselor for a college-planning appointment. During the senior year, students should apply for admission to colleges, college scholarships, and/or financial assistance. Students interested in military academies and/or ROTC scholarships should begin applying during the second semester of their junior year. Student should see their counselor for specific information on testing dates, application forms, deadlines, and admission requirements.

DISTINCTION POINTS

For the purpose of determining the grade point average of students attending VAHS, the following scale will be issued: A=4, B=3, C=2, D=1, and F=0.

Vail High School recognizes that some courses are designed to be more challenging; however, we will not have a traditional weighted grade formula. Through Honors, Advanced Placement, and Dual Enrollment, students can have accelerated opportunities with a chance to benefit their GPA. Students enrolled in accelerated courses will have their GPAs calculated as all students' grades are done. However, students who are enrolled in these courses will be given "Distinction Points" if they earned an A, B, or C in the class. The 'Distinction Points' are as follows:

Honors/Dual Enrollment	.03
Advanced Placement	.05

Below find two sample students enrolled in the same courses. Student #1 has weighted grades and student #2 has regular grades with distinction points.

Student # 1		Student # 2	
Math (H)	4.03	Math (H)	4.0 + .03
English (H)	4.03	English (H)	4.0 + .03
PE	4.00	PE	4.0
Art	4.00	Art	4.0
History (AP)	4.05	History (AP)	4.0 + .05
Biology (AP)	4.05	Biology (AP)	4.0 + .05
$24.16 / 6 = 4.026$		$24 / 6 + .16 = 4.16$	

Students who transfer from another school will have their GPA determined using VAHS guidelines. The sending school also must list on the transcript, in the course name, designations such as Advanced Placement or Honors to receive consideration for distinction points.

Distinction Points will be used to determine the Valedictorian and Salutatorian, and the recognition at graduation of graduating with "Honors" and "High Honors." These titles will be made at the completion of the eighth semester. Students are expected to have completed at least 4 semesters (including their final 2) of high school credits while enrolled at Vail Academy and High School to be considered for Valedictorian and/or Salutatorian. "Enrolled" means that a majority of their credits must be earned at VAHS, not through online instruction. Administration reserves the right to take 'unique' circumstances into account.

All requests for class rankings will be determined using distinction points unless a college specifically asks for an un-weighted ranking. Official transcripts will display both un-weighted and distinction GPAs and rankings.

18 YEAR OLD STUDENTS

The Vail School District's Mission Statement is to provide parents with safe and nurturing environments for their children. This does not end when a student reaches the age of 18. The school will continue to communicate with parents until such time as an adult student provides evidence that they are living independently on their own. At such time the school will notify parents of its intent to work solely with the student, if the student has made such a request in writing.

ACADEMIC HONESTY

Academic dishonesty occurs when students obtain or assist others in obtaining credit for work that is not their own.

Common examples of academic dishonesty include, but are not limited to, the following:

- Using hidden notes, copying from another student, or helping another student during a test.
- Receiving or giving test questions or answers to a member of another class.
- Submitting another student's work** as one's own.
- Copying or stealing another student's work and submitting it as one's own or permitting another student to copy one's work.
- Stealing or accepting stolen copies of tests or answers.
- Changing answers and seeking credit on a test after the test has been graded and returned.
- Changing the results on performance examinations, e.g. a physical fitness test.
- Falsifying information for applications, e.g. college, scholarships, National Honor Society, etc.
- Using computers, electronic devices and programmable calculators in violation of guidelines established by the teacher.
- Using help such as notes, books, experts or purchased services in violation of guidelines that are established by the teacher.
- Resubmitting the same or a similar research paper, project, essay or assignment in two or more different courses without the permission of the teacher.
- Soliciting answers.
- PLAGIARIZING:** Presenting material taken from another source without adequate documentation:
- Presenting another person's creative work or ideas as one's own in essays, poems, music, art, computer programs, or other projects.
- Failing to cite with quotation marks the written words or symbols of a source or author.
- Copying or paraphrasing words with ideas from any source, including literary criticism or study aids, without acknowledgment.
- Failing to cite the source of words, ideas, etc., which is quoted, paraphrased, or summarized in a student's oral or written work.

The following acts are considered Academic Dishonesty:

- CHEATING** – Cheating includes the actual giving or receiving of an unauthorized aid or assistance or the actual giving or receiving of unfair advantage on any form of academic work.
- PLAGIARISM** – Plagiarism includes the copying of the language, structure, idea and/or thought of another and representing it as one's own original work.
- FALSIFICATION** – Falsification includes the verbal or written statement of any untruth. (Violations in this category may result in additional disciplinary action beyond the steps outlined for honor code violations.)
- STEALING** – Stealing includes acquiring another's possessions without right or permission. (Violations in this category may result in additional disciplinary action beyond the steps outlined for honor code violations.)
- FORGERY** – Forgery includes the illegal copying of another's name or signature. (Violations in this category may result in additional disciplinary action beyond the steps outlined for honor code violations.)
- ATTEMPTS** – Attempts toward completion of any act described above would constitute a violation and may be punishable to the same extent as if the attempted act has been completed.

Note: Studying with other students to prepare for class assignments or examinations is not academic dishonesty unless such actions are prohibited or limited by the teacher.

* A test is any examination, ranging from a quiz to a final.

** Work is defined as a homework assignment, paper, project, report, take-home test, or any other work that the teacher has intended the student to complete independently.
