NEW BUSINESS

Vail High School

"A small Learning community Encouraging Achievement, Responsibility and Nurturing relationships for Success"

February 11, 2010

Dear Parents,

I wanted to make you aware of a change in your student's classes. Mr. Rice, who has taught classes in info tech, web design and engineering has been reassigned and will not be returning for the remainder of this school year. It is my goal to hire a qualified instructor to take over these classes as soon as possible. During this period of transition, there will be a certified teacher substituting and ensuring that instruction continues as planned.

When a permanent replacement has taken over classes we will send home information with your students. In the interim please direct any questions to my attention. I can be reached by phone at 879-1904 or by email at bargerd@vail.k12.az.us. Thank you for your understanding and support.

Sincerely,

Dennis J. Barger
Vail High School Principal
