

# YOU GET TO CHOOSE

All of our high schools are great, and choosing is never easy... But now, the process is!

# 1

Attend a High School Information Night. They are held at every middle school in mid-January.

# 2

Visit the campuses you are considering during Open House Week in late January.

# 3

Rank your choices 1-4 at [VailHighSchoolChoice.org](http://VailHighSchoolChoice.org) starting in late January.

## THE NEW SYSTEM

The new system was designed to maximize the number of students being enrolled in their top choice school.

- If the number of students selecting a school as their top choice is within the designated enrollment cap, they will all be automatically enrolled.
- If more than the maximum number of students pick a school, a lottery will be held for that school.
- Students not selected in the lottery will be enrolled in the next available school based on their ranking, and placed on the waiting list of their top choice.
